

Game: Pac-Man Tag

Equipment Needed:

- Indoor: tape to make a grid
- Outdoor: Spray paint to make a grid

Space: As much area as your space allows. Could be a 20ft. by 20ft. space but can be scaled down as needed.

Set Up: 20x20 box divided into 4 squares using lines on the ground

People Needed:

- 4 students- players
- 1 student-tagger

Objective: The player who is the last to get tagged wins.

Game Play:

- The four players run around the grid and avoid the tagger. The catch: All players must stay on the lines of the grid.
 - When a player gets tagged with the noodle they sit down on the line where they were tagged to block the other players from passing them.
-
