

## Game: Submarine Tag

*\*Large group\**

Equipment Needed:

- Cones or tape to mark the boundaries for the zone of play

Space: A large group space

Set Up: Mark your zone of play using the cones or tape

People Needed:

- Volunteers to monitor game/players
- Group of players and 1 tagger

Objective: Typical freeze tag game/ the tagger who tags the most players in a round wins

Game Play:

- Game is played just like freeze tag with the exception that if a player is tagged they have to lay on the ground and put their leg up.
  - To get back in the game, another player has to come and push the other player's leg down.
-
