

HOST RALLY 2024 WORKSHOPS

ROTATION 1 – 11:15am – 12:15pm

All I Do is WIN: A Registration Walkthrough

Suggested for Scholarship Coordinators

New to WIN or in need of a refresher? Come join our Customer Experience Team as they walk through WinShape Camps' registration website (WIN). Together, we will walk through a parent's view of the registration process, introduce you to your Host Dashboard, and pull registration reports.

Catering with the Cows: Strategic Partnership with CFA Explained

Suggested for Marketing/CFA Coordinators

The partnership between Chick-fil-A and WinShape regularly demonstrates how tremendous impact is possible when efforts are combined. In this workshop, you'll hear from a panel of seasoned Hosts and Chick-fil-A representatives as they reflect on what it looks like to initiate a partnership, honoring the business, and more.

Empowering Volunteers to Engage & Commit

Suggested for Volunteer Coordinators

Volunteers are a key part of impactful ministry, but they certainly can be hard to come by! We believe camp can be a catalyst for volunteer involvement in your church community, but it does not stop there. Listen in as a panel of church leaders discusses practical ways to engage, equip, and encourage your volunteers.

The Wonder Chronicles: A Deep Read into the Storybook of Next Summer

Suggested for Camp Hosts

Explore the highly-anticipated theme for summer 2024, The Wonder Chronicles! Learn about the creative process behind this theme and how this story influences our everyday lives. You'll also see a few sneak peeks of new content and leave with some easy and fun ideas to help build excitement for next summer in your community.

Building Trust and Understanding: Exploring through LEGO® SERIOUS PLAY®

Recommended for Anyone

Join the journey of exploration with LEGO® SERIOUS PLAY®, where you'll have the opportunity to gain self-awareness through the Johari Window. In this session, use kinetic learning methods to strengthen the dynamics you want to see on your team and get practical developmental tools through LEGO®.

HOST RALLY 2024 WORKSHOPS

ROTATION 2 – 1:30pm – 2:30pm

WINner, WINner, Software Dinner: The Full Course Meal on WinShape's System

Suggested for Scholarship Coordinators

Hear from our WIN experts and learn how to use WIN to effectively set, manage, and achieve your team's scholarship goals! In addition, utilize the group registration feature to impact your community like never before. This workshop is sure to set you up for success.

The Essential Collection: All-Inclusive Discussion of Effective Camp Marketing

Suggested for Marketing/CFA Coordinators

Marketing camp in your community can be intimidating. That's where our WinShape Camps Marketing Team wants to help! In this session, we will cover the basics of the WinShape Camps brand, unpack the marketing resources we provide to help you, and lay out steps you can take to get the word out about camp in your community.

The Purpose in His Provision: Practical Steps for Daily Living in God's Promise

Recommended for Anyone

God provides His presence to be with us in all circumstances, yet that knowledge can lose its luster in the exhaustion of running on empty. Join us for a practical session on how to apply God's word to the daily moments of life where God's provision reaches us even in our lowest moments.

The Wonder Chronicles: A Deep Read into the Storybook of Next Summer

HOST RALLY 2024 WORKSHOPS

ROTATION 3 – 2:45pm – 3:45pm

WIN There, Done That: Getting Questions Answered & Set Up Accomplished

Suggested for Scholarship Coordinators

Use this time to get answers to specific questions you have regarding WIN, collaborate with our team to troubleshoot or problem-solve an issue you're having, or find a quiet place to dive into your WIN account and get things done.

In Hot Pursuit: Effective Post-Camp Community Engagement

Suggested for Camp Hosts

While we consider camp to be the best week ever, the other 51 weeks (about 11 and a half months) of the year are truly what matters in your community! You won't want to miss out on exciting updates to follow-up content, as well as practical tools to appropriately and effectively connect with your campers post-camp.

Navigating the New Process for Middle School Volunteers at Camp

Suggested for Volunteer Coordinators

Middle school students are finding their place in life, so it's no surprise they're doing the same at camp. If you'd like to thoughtfully include middle schoolers in your program, this session will leave you with clear action steps to determine where middle schoolers fit into WinShape Camps in your community.

Keys to Building & Stewarding Community Partnerships

Suggested for Marketing/CFA Coordinators

Forging new partnerships in your community is part of the call of the local church. In conversation, this panel will explore the importance of inviting people, organizations, and businesses to be on mission with you. Link arms with like-minded partners to increase engagement and deepen the impact camp can make in your community.
