

Prison Ball:

Equipment Needed: 15-20 dodgeballs; small floppy cones to outline the playing area

Space: large group area

Set Up: Set up cones in the outline of a dodgeball court

People Needed:

- 2 teams of 8-10 students
- 1 student or volunteer (ref)

Objective: One team gets everyone from the other team out!

Game Play:

- This game is played just like normal dodgeball but when a camper gets hit with a ball they must go to the back of the other team's side.
- In order to get back in the game, someone from that camper's team must throw them the ball from their side and the camper must catch it.
- Once they catch it, they are out of prison and can go back to their side.
- The game ends when an entire team is in prison.
