Today we got to make a Bible Buddy. This is a useful tool for studying God's word so you can easily find the page where you left off or bookmark one of your favorite verses. This reminds me of a verse in the Bible that tells us how important it is for us to read God's word daily. It is found in Psalms 119:105 and reads, "your word is a lamp for my feet, a light on my path." Reading God's word is so important as believers because it will guide us through our lives.
