

Wooden Windchime

Supplies Needed:

- 1 Piece of driftwood or thick stick per person
- Acrylic Craft Tape
- Washi Tape
- Beads
- Yarn/Twine
- Small gold eye hooks (3-5 per person)
- Clear elastic thread or twine
- Scissors

Instructions:

1. Give each crafter a piece of the driftwood or a thicker stick and have them decorate it using the paint or washi tape.
2. Add 3-5 eye hooks to the bottom half of the piece of wood. Volunteers may have to get the hook started and then let the children finish it up.
3. Place 2 eye hooks on top of the piece of wood, one on either end.
4. Tie elastic thread to each hook. .
5. String the beads.
6. Have campers place beads onto string in whatever order they desire and tie a knot in the end. Tying a bead into the knot will help it stay in place.
7. Tie a piece of twine or yarn to the top 2 hooks to serve as a hanger for the windchime. Have volunteers ready to assist younger kids in tying the knots.

Related Devotional

Today, we made some awesome wind chimes. Each one of your creations is specially made by you and is unique to how you crafted it. This reminds me of a verse in God's word. It's Ephesians 2:10, which says "we are God's handiwork, created in Christ Jesus to do good works, which God prepared in advance for us to do." Just like you crafted your wind chime, think about how cool it is that we are handcrafted by God so that we can live for him! He created each of us unique and special!
